CARVELL'S AUCTIONS
553 Great South Road, Penrose 1061
Auckland New Zealand
Phone +649 - 579-3771 Fax +649 - 537-1629
Send postal bids and payments to: Box 112313 Penrose 1642
www.gunauction.co.nz

NOTES

We will have an arms officer in attendance for your convenience to arrange permits.

* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pinky” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date

We will have EFTPOS for your convenience. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

POSTAL BIDDERS

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding of the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax or post your bids on the postal bidding form included with the catalogue to the number or address below. Payment must be made on receipt of invoice. Do not wait until you get your permits as delay hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

BUYERS PREMIUM

10% Buyers premium on the hammer price applies plus G.S.T on the premium only

POSTAL REQUIREMENT OF 1993 ARMS ACT

All firearms and ammunition (excluding antique) require an accompanying statement from a police officer validating your license. A form can be downloaded from our website. Pistols, restricted weapons & military style semi automatics require a permit to procure before delivery.

A nice quality flintlock main spring clamp. As found in top quality cased sets. ExC

171 - US BELT BUCKLE

An original pattern 1874 brass belt buckle, rectangular shape with embossed US in circle, marked O F on the back and 50 on the locking tab. VG-ExC

172 - MKI BREN GUN

A British/NZ Military WWII period MarkI 303 cal Bren LMG. 24" Barrel with correct polished flash hider and folding carry handle. The receiver is marked BREN MKI also Enfield with crown and dated 1938, below the breech is marked N.Z.A and DP which is also marked on the barrel. The cocking handle is the correct early folding type as is the adjustable bipod and drum style rear sight. Metalwork has near all its original finish. GC original woodwork with usual dings etc and missing the rear grip and folding part of the butt plate. Also includes the correct carry case. Hard to find a better example of the sought after MKI model with NZ history. VGWO&C CLR

173 - M1 GARAND RIFLE

A 1943 WWII US Military M1 Garand rifle. 24" .30-06 Cal barrel with original sights fitted, British proved and has original bayonet lug in tact. The rear of the receiver is marked US Rifle Cal 30 M1 and Winchester. Metalwork has dark grey patina with traces of original finish, pin prick marks on the gas tube. VGC original walnut stock complete with sling swivels and service cartouche below the rear of the receiver on left hand side. Also includes the original pull through and oiler. A good original example of a gun that is increasingly harder to find. VGWO&C ELR

174 - WINCHESTER MODEL 92 CARBINE

A top example of a Winchester model 92 saddle ring carbine. 20" .44-40 WCF cal round barrel with original iron sights and full length magazine tube. Barrel marked Manufactured by the Winchester Repeating Arms Co. New Haven Conn. USA and 44 WCF in front of the chamber. The receiver fitted with original saddle ring, the tang marked Model 1892 Winchester and patent date. Metalwork is very good for its age retaining large amounts of original blue all over, thinning in parts and some scratches. A small amount of pitting at the top of the original steel butt plate which has grey metal finish, some case colours are still visible on the lever and hammer. VGC original woodwork with some minor bruising and dings. Early Winchester 92's are hard to find in this original condition and .44'S are the most desirable with a premium paid for the calibre. 1897 year of manufacture. Extremely rare in this condition. VG-ExWO&C ALR

175 - ANTIQUE WINCHESTER 94 RIFLE

An early 1907 year of manufacture Winchester Model 94 take down lever Action rifle. 26" Octagonal barrel chambered in 32-40 WCF calibre with original sights. Marked manufactured by Winchester Repeating arms Co. Newhaven etc. and patent date of 1894. Caliber also marked at the rear of the barrel. Full length magazine with original take down lever. Metalwork has most overall original blue thinning on the receiver and lever in parts. Marked Winchester model 1894 trademark on the tang. Very good condition original straight cut walnut stock with original sling swivels and chequered steel butt plate. The underneath of the stock marked J.C. OLDBURY AUCKLAND NZ, who was a prominent Auckland gunsmith and retailer located in Queen Street. This providence makes this gun desirable for both the Winchester and NZ collector. It's hard to find early 94's in this condition and the take down models are very sought after. ExWO&C ALR

176 - WINCHESTER WINDER MUSKET

A US Winchester .22LR single shot rifle. 27" Barrel with original sights and marked Winchester etc and patent date of 1879. The tang also marked Winchester and the gun is British proved. Metalwork with grey to dark patina. VGC original wooden stock with steel butt plate and original sling swivels. Circa 1918-1920's VGWO&C ALR

177 - MAMELUKE SWORD

A most likely British Mameluke hilted sabre. The single edged blade 13 30" from hilt to tip and is without markings and is in VGC. Steel cross guard with bannister turns at the tips, floral gilt pins through the ivory grip. GC steel scabbard with what looks like a name inscription inside a square at the top but is to faint to read. VGC

178 - PATTERN 1786 SWORD

A British Infantry officers pattern 1786 sword. 32 1/2" Speer point single edge blade, decorated with stand of flags and folio designs as well as cypher - HONI SOIT QUI MALY PENSE over DIEU ET MON DROIT. Gilt brass fittings and ivory grip. The blade is in GC with some areas of staining. VGC

179 - PURDEY FLINTLOCK FOWLING PIECE

An exquisite double flintlock fowling piece by James Purdey, no. 254. Circa 1820. 32" 14 Bore browned barrels marked J Purdey Princess Street Leicester Square London and with silver foresight, twin platinum bands and touch holes. The case hardened locks are borderline and floral engraved. Marked PURDEY as well as PATENT. This refers to the grip safety system patented by Purdey's associate Mathew Wyatt in 1818. The lever just behind the cocks acts as a seer like detent when the cock is drawn fully back and can only be disengaged when the steel arm underneath the stock is squeezed. Blued steel springs, borderline engraved frizzens and waterproof pans. All steel furniture is also foliage and borderline engraved extending into pineapple finials. The safety lever marked SAFETY. Gold escutcheon plate on the tang of the walnut half stocking with horn buttplate. Brass tipped Ebony ram rod. This gun has been meticulously refurbished by David Elinger who worked for Purdey's and his detail work is flawless. A unique opportunity for the advanced collector to obtain this rare and desirable firearm in immaculate condition. EXWO&C NLR

257 - RUGER MINI 30 RIFLE

A US Ruger Mini 30 7-62x39 cal semi auto rifle. 16 1/2" barrel threaded for suppressor. Stainless steel receiver and barrel etc. Metalwork in VGC. Includes 20R magazine. Fitted with pistol grip synthetic and stainless steel side fouling stock, due to the length of the gun with the stock folded, it is on C license, this modified to E if the stock was pinned. As these stocks are now prohibited imports, guns are now hard to find in this configuration. VGWO&C CLR

**258 - NORINCO TYPE 84S RIFLE**

A Chinese Norinco type 84S semi auto .223 cal "AK" type assault rifle. 16" Barrel with original sights and flash hider. Receiver with near all original finish all over. VGC original woodwork with some minor dings. Includes original high capacity magazine. VGWO&C ELR

259 - MINI 30 MAGAZINE

A hard to find 20R magazine for the US 7x39 cal Ruger Mini 30 rifle. VGC

260 - MINI 30 MAGAZINE

A similar lot to previous. VGC

261 - 223 AK MAGAZINE

A 30R .223 cal magazine for the Chinese type 84s "AK" type rifle. GC

262 - 223 AK MAGAZINE

A similar lot to previous. GC

263 - G3 MAGAZINE

A hard to find steel magazine for the German G3 7.62 cal assault rifle. Near all original finish. VGC

264 - G3 MAGAZINE

A similar lot to previous. VGC

265 - FRANCHI .22 RIFLE

An rare and unusual Franchi "Para" model .22LR semi auto rifle. This takedown .22 has a 19" barrel with threaded muzzle breech and original sights. Metalwork has most overall original crackle and blue finish. VGC original woodstock missing Franchi logo badge. Complete with tube magazine in butt stock and original to the gun numbered box. Only 500 of these made VGWO&C ELR

266 - AR7 RIFLE

A Charter Arms AR7 explore .22LR semi auto rifle. 15 1/2" Barrel threaded for suppressor. No rear sight on receiver but scope mount fitted. Some areas of the crackle paint finish are missing and would suit refinishing. Barrel and action come apart and fit in the synthetic butt stock. Hard to find as these are now prohibited imports. F-GWO&C ALR

267 - MARLIN PAPOOSE RIFLE

A US Marlin semi auto .22LR take down rifle. 15" Stainless steel barrel and action with original sights, VGC black synthetic butt stock. At the time of cataloging there was no magazine, replacements are commonly available. GWO&C ALR

268 - SAXBY PALMER AIR PISTOL

An English Saxby Palmer .177 cal air powered 6 shot revolver. These were made in the 1980's in West Germany using a modified revolver frame and cylinder. Each reusable cartridge is manually pumped up and inserted into the cylinder. 3" Barrel with original blue finish. VGC original wooden grips. Includes 10 cartridges, pump and original cardboard box. Very collectable and seldom seen. ExWO&C NLR

269 - SAXBY PALMER AIR PISTOL

A similar lot to previous but with 6" target barrel with adjustable rear sight. Metalwork with nearly all original blue finish. ExC synthetic wood grip with right hand palm swell. Also includes standard synthetic wood grip, pump, 10 cartridges, polystyrene box and speed loader. ExC NLR

**270 - WEBLEY STARTING PISTOL**

A circa 1960 Webley starting pistol in original box complete with operating instructions. Small automatic design with all original finish, box and gun in ExWO&C

271 - STARTING PISTOL

A German EM-GE model 320 starting pistol. Flip up barrel design with two barrels, 7mm blank cal. Complete with original box and instructions. In near new ExC NLR

272 - WEBLEY GRIPS

A set of grips for a MK5 and a MK6 Webley revolver plus a pair for a Webley air pistol and two odd grips. GC

273 - ASSORTED GRIPS

Seven sets of automatic pistol grips including a set for a Walther PPK. F-GC

274 - 1911 GRIPS

A set of original wooden grips for the US Military Colt 1911/A1 or similar. Diamond pattern around grip screws. Some rounding of the chequering otherwise. VGC

275 - 1911 AMMO

Two packets of WWII period ammo for the 1911 .45 ACP cal pistol, both containing 20R and marked for M1911. Western cartridge manufacture, in unopened ExC ALR

276 - BERTHIER CARBINE

A French Military 7.15 cal Berthier carbine. 22 1/2" Barrel receiver marked Mod 1907-15. Chamber marked T.C ORMAN 1943. Metalwork has dark aged patina. GC full length wood work. These saw service in WWI and limited service in WWII. GWO&C ALR

277 - SCHMIDT REUBEN RIFLE

A Swiss Military Model 1911 straight pull bolt action Military rifle in 7.5x55 cal. Metalwork has dark patina with traces of blue, marked with release date of 1937. VGC original woodwork complete with leather sling. VGWO&C ALR

278 - NAMBU PISTOL

A WWII Imperial Japanese Nambu type 14 semi auto 8mm cal pistol. 4 1/2" Barrel with correct fixed sights. Nagoya arsenal marked and Japanese date marked for 1938. Metalwork has pin prick pitting marks all over with dark aged patina. VGC original grips, complete with correct but different numbered magazine. GWO&C B/CLR

279 - HI STANDARD PISTOL

A US circa 1940-42 Hi Standard .22LR semi auto pistol. 4 1/2" Barrel with original foresight. The area in front of the barrel has been cut away and retained (perhaps planned to thread for silencer). The slide marked Hi Standard Model "B", .22 on other side and British proved. Thinning original finish on the edges and totally gone on the front and rear of the grip. The closing of the action after firing is at fault. GC original grips. An ideal project to silence as these were used both by the British commandos and OSS. GC B/CLR

280 - BALLISTA MOLINA PISTOL

An Argentinian Military Ballista Molina .45acp cal semi auto pistol. 5" barrel, slide fitted with fixed sights and marked Ejercito Argentino on one side and patent info on the other. Metalwork has thinning blue finish all over. GC wooden grips. GWO&C B/CLR

281 - JAPANESE CERAMIC GRENADE

A very rare and unusual WWII Imperial Japanese Type 4 ceramic grenade. These appeared in late 1944 due to lack of raw materials and the need for an easy to make "last ditch" hand grenade. 90mm High round shape with bottle neck. Natural to pink ceramic without glaze, marked 4 on the base, missing rubber cup. These were supplied to combat troops in large quantities including Iwo Jima and Okinawa. ExC

282 - JAPANESE NAVAL SWORD

A WWII Japanese Naval sword. 26" Blade with twin fullers. Single gold gilded brass knuckle bow, wire wrapped Ray-skin handle. WWII pattern 83. Leather sheath with gilded brass fittings. As with the previous lot it was brought back after the occupation of Japan. ExC

283 - JAPANESE ARMY SABER

A most likley WWII period Imperial Japanese pattern 1883 saber. 30 1/2" Tanto tip blade with nearly all plated finish and in ExC. Hilt with Army Mon. Steel scabbard with a few dings otherwise ExC

284 - JAPANESE ARMY SABRE

An Imperial Japanese Army pattern 1883 Sabre. Most likely WWII period with 28 1/2" plated blade with tanto tip. Blade has 80% of its plating. Hilt with army moon. There is a dent in the bottom of the steel scabbard preventing full fitting, also some speckling on the plating otherwise VGC

285 - JAPANESE CAVALRY SWORD

A WWII Imperial Japanese Cavalry sword. 31" Plated tanto point blade Green steel grip with one piece guard. Complete with green lacquer painted scabbard with leather grip, a small area of chipping on the scabbard. VGWO&C

286 - H&K .630 RIFLE

A high quality German Heckler & Koch model .630 semi auto sporting rifle. 18" .223 Cal barrel plus 2 1/2" muzzle break with integral foresight plus original rear sight above the chamber. Receiver marked Heckler & Koch GMBH Oberndorf W. Germany HK 630. Fitted with factory quick release scope mount plus leupold 4-12 VARI XII telescope sight. Metalwork is in near ExC with only a couple of minor scratches. ExC original wooden stock with a few minor scratches. Includes 4R magazine. These guns are sought after and hard to find particularly in this condition. ExWO&C ALR

287 - H&K 630 MAGAZINE

A 10 shot magazine for the H&K model 630 .223 cal semi auto rifle. VGC

288 - BSA HUNTING RIFLE

A British BSA Royal model bolt action hunting rifle. 24" 7x57 Cal barrel with original front sight. The barrel marked BSA etc. Metalwork has most original blue finish. Fitted with Redfield 3-9 telescopic sight. VGC checkered walnut Monte Carlo stock. VGWO&C ALR

289 - EARLY MAUSER SPORTING RIFLE

22" 7X57 Cal stepped blued barrel with foresight. The receiver fitted with parker hale aperture sight. Marked DWM on the chamber and MOD. Mauser 1897 DWM Berlin on the side. Metalwork has most overall blue, GC wooden stock. GWO&C ALR

290 - COLT 1855 ROOTS REVOLVER

A seldom seen Colt model 1855 sidehammer pocket percussion revolver. 3 1/2" .31 Cal round barrel marked Address Col Colt New York USA on top. 5 Shot fluted cylinder marked with patent date of 1850. Also marked 31 cal behind the recoil shield. Metalwork has dark aged original patina without any major bruising and has traces of blue and case colours in parts. VGC original one piece varnished walnut grip. This is the model 5 of this series of gun and was manufactured in 1863. NLR

291 - COLT NEW LINE REVOLVER

A circa 1878 second model Colt New line single action pocket revolver. 2 1/4" .38 Center fire cal barrel and with Hartford address on top, patent and serial number underneath. The frame marked 38 cal C to designate center fire from the rimfire model. London proof marks on the cylinder. Metalwork has traces of blue in untouched areas and slight case colours on frame, the rest with dark to grey patina. VGC rosewood grips. Not often offered for sale in NZ and this is a nice tidy example. VGWO&C CLR

**292 - COLT DERRINGER**

A circa 1910 3rd model .41 cal Colt Derringer. 2 1/2" Barrel marked Colt in italic font and has most thin original blue with dark patina. The brass frame retains 80% of its original silver plating and marked 41 cal. GC original varnished walnut grips. VGWO&C CLR

293 - COLT THUNERER REVOLVER

A model 1877 Colt D'action revolver. 5 3/4", 41 Caliber barrel marked Colt DA 41 on side and Hartford address on the top. Shrouded ejector rod underneath. Dark grey to black aged patina. VGC original worn hard rubber birds head grips with horse logo. Matching number, 1902 year of manufacture. VGWO&C CLR

294 - COLT FIREARMS BOOK

Colt Firearms 1836-1960 by Serven. Excellent reference work, black and white photos, large format hard cover, no dust jacket. 395 pages. ExC

295 - COLT AUTOMATIC BOOK

Colt Automatic Pistols by Bady. A hard to find reference book for all Colt pistols. Medium format, black and white photos. Hard cover, now out of print. VGC

296 - CASED BARNES PERCUSSION REVOLVER

A very rare English Bentley patent 120 bore (31 cal) 5 shot percussion double/single action revolver. 3 1/2" Barrel. The top strap marked F Barnes and Co. London and is borderline engraved as well as the frame. Marked with patent number. Metalwork retains near all of its original plating and bright original blue on the loading lever. ExC chequered ebony grips. Complete in its original blue Baize lined Mahogany case with Fredric Barnes and Co. London trade label. Contains pincer mould, Hawksley bag flask, pewter oil bottle, original cleaning rod with screw end and ebony tip, ebony nipple key and wad punch. ExWO&C NLR

297 - WEBLEY LONG SPUR REVOLVER

A circa late 1850's English 3rd model Webley "long spur" single action 5 shot 48 bore percussion revolver. 6 3/4" Octagonal barrel with original foresight and side mounted rammer and London proved which is also on each of the chambers, the side plate is marked Improved patent revolver with retailers name around the outside - Joseph Braddell & Son, Belfast. This gun has a shorter than usual hammer spur, see page 174 of Taylerson's book for a very similar gun. The blued parts of the gun retain a large amount of bright blue all over. The frame, backstrap and triggerguard have dark patina. VGC original checkered original two piece walnut grips. VG-ExWO&C NLR

298 - DOUBLE FLINTLOCK PISTOL

An extremely rare double barrel turn over superimposed Flintlock pistol by DV Mont A Herve circa 1690. This pistol uses the very advanced system for the period of rotating the barrels by squeezing the trigger guard which then allows the barrels to be turned over to fire the second shot. 10" 20 Bore (61cal) octagonal to round barrels are beautifully carved and chased with floral designs, as is the all steel furniture cocks and frizzers. The lock plate is marked DV MONT A HERVE and the opposite side is decorated with serpent and foliage design. Excellent original wood stocking with lions head grotesque on the butt. All the steel work has been painstakingly carved requiring a great deal more work than the lost wax cast method used for silver. This is a very unique opportunity to purchase what we believe to be the only firearm of its kind in New Zealand. At over 300 years old this is a museum quality piece in original untouched excellent condition. ExWO&C

Estimates - Although we don't print estimate prices we will be happy to provide them to you. Please contact Greg on (09) 579 3771

299 - SCOTISH PISTOLS AND DAGGER

A seldom encountered pair of Scottish percussion pistols with daggers and belts. The all metal belt pistols have 6 1/2" barrels in approx. 54 bore with part octagonal at the breech and cannon turned muzzle, the barrels are profusely engraved with foliage designs and retaining gold wash and traces of original blue. The locks and hammers are in the same style. German Silver stocks with floral engraving overall and sunbursts underneath. Belt hooks retaining original blue. One of the ram rod guides is missing and one of the hammer spurs has been well repaired and is hard to notice otherwise VGWO&C and contained in what is believed to be a period box. The original dagger with 11 1/2" polished blade with some tarnishing. Ebony with silver studded grip and dark orange moon-stoon pommel, complete with matching knife and fork linked with original chain and silver mounted scabbard and marked DCS & CO. silver. Also included is a Skein Dou dagger with 4" polished blade, carved wooden grip with moonstone pommel and silver mounted leather scabbard. Plus the drinking horn made from a polished highland cattle horn with engraved silver mountings and moonstone, as well as silver chain. Also included is the original waist and shoulder cross belt with ornate relief carved silver belt buckles. The leather shows original age and wear. Carved silver hand made brooch with moonstone and marked with makers name. Finally there is an original framed and glazed photo showing the owner in full Scottish dress plus a diary of Newspaper clippings of the Kilgour family after they emigrated to NZ. All circa 1850-1860 period and a very important world class set. VGWO&C NLR
