The steel furniture retains large amounts of original blue on the trigger bow. Pineapple design finial in front of the trigger guard as well as the ram rod guide. The finial on the wrist extends rearward into a spear shape. VGC original walnut stock checkered at the wrist. Profusely engraved with bright case colours on the section behind the breech. Steel buttplate extending into spear point finial with large traces of original blue. Silver presentation escutcheon on the underside of the stock marked MURCHISON TO TCH-EFFKINE as well as silver cross pin escutcheon. Includes original brass tipped ebony ramrod. Contained in its original green baize lined mahogany case with brass ring pull handle and corners. Westley Richards original label inside the lid. Included is a leather shot bag, Sykes patent powder flask, cleaning rod, Westley Richards waterproof primers, spare nipples, ebony screw driver, nipple key and horse hair brush. A top fowling piece for the discerning collector. VG-ExWO&C NLR

312 - HARVEY'S PATENT REVOLVER

A rare cased approx. 40 cal English Harvey's patent second model six shot self cocking "Hammerless" percussion revolver circa 1854. 3 3/4" Octagonal barrel marked 'HARVEY'S PATENT BREECH LOADING REVOLVING PISTOL' and Birmingham proof marks with similar cylinder proofs. Both pistol and the detachable rammer/turnscrew and nipple key show slight traces of original case colours. The top of the concealed hammer action as well as the nipple shroud are foliage and borderline engraved. The trigger-guard retains a lot of original blue and is engraved. ExC original checkered one piece grip with blank circular silver escutcheon and engraved percussion cap trap. Contained in its original oak green baize lined case with small medicine bottle shaped copper flask, double cavity bullet mould, ebony tipped rod and nipple key plus pewter oil bottle and percussion caps. Harvey's patent transitional firearms are scarce, with less than 1000 produced. VGWO&C NLR

313 - HOLLIS PERCUSSION TRAVELLING PISTOLS

A pair of English .50 cal (38 bore) box lock 'Top Hat' percussion pistols by Richard Hollis circa 1830. 1 1/2" Round turn off barrels engraved at the muzzles and Birmingham proved as well as marked R.H. Elegant rounded frames with concealed triggers feature the 'Top Hat' percussion system with sprung cap retainers. Foliage engraved and marked LONDON on the right hand side, the left hand side marked RICHd HOLLIS. The underside of the guns are borderline engraved and Birmingham proved. Sliding thumb safeties. ExC original fine checkered one piece grips with blank diamond shaped silver escucheons and engraved butt plates also in silver. Contained in their modified Adams type case with barrel key and screw driver. A nice good quality example of early percussion 'Top Hat' travelling pistols. ExWO&C NLR

314 - ENGLISH BOXLOCK PISTOLS

A pair of .38 bore percussion box lock traveling pistols by Needler. 3" Round barrels with Birmingham proofs with similar on the engraved bronze frames. Marked Needler Hull on the tangs. Dolphin style engraved cocks and concealed blued triggers. VGC one piece wooden grips with blank silver escucheons. Contained in a modern case with some damage to the lid, together with flask and bullets. GWO&C NLR

Estimates - Although we do not print estimated prices we will be happy to provide them for you. Please contact Greg on 09 579-3771

315 - COLT 1855 ROOTS REVOLVER

A seldom seen Colt model 1855 sidehammer pocket percussion revolver. 3 1/2" .31 Cal round barrel marked Address Col Colt New York USA on top. 5 Shot fluted cylinder marked with patent date of 1850. Also marked 31 cal behind the recoil shield. Metalwork has dark aged original patina without any major bruising and has traces of blue and case colours in parts. VGC original one piece varnished walnut grip. This is the fifth model of this series of gun and was manufactured in 1863. NLR

316 - WEBLEY BENTLEY REVOLVER

A Webley Bentley wedge frame type 5 shot double action percussion revolver. 4 1/2" approx. 80 bore octagonal barrel with Adams style rammer and Birmingham proofs underneath and on the cylinder. The top strap marked Manton & Son London (we believe this to be a period example of fakery). Most overall blue thinning to a dark grey patina in some areas, traces of original case colours. GC two piece checkered grips. GWO&C NLR

317 - NAPOLEONIC BROADSWORD

A French cuirassier broadsword pattern 1802-3, 99cm straight blade with twin fullers on each side. French arsenal marks are difficult to make out but are at the top of the blade. The leather grip is in tact but missing wire. Solid brass hilt and knuckle bow with markings and number. The blade and steel scabbard have some pitting, worse on the scabbard. A not commonly encountered sword. GC

318 - SPANISH SWORD

A model 1907 Puerto Seguro Cavalry Sabre. 35" Straight blade with full length fuller and flat spine. The base marked ARTILLERIA with crossed cannons under a crown with another marking below which is difficult to make out plus a store # on the other side. GC

319 - COURT SWORD

A Victorian period "members of the royal household" court sword. 30" Double edged blade, 1 5/8" at the shoulder. The blade retaining good edge, unidentified makers mark and running wolf inscription. Wooden grip with no evidence of previous wire binding, most likely leather. Large 3" diameter steel pommel divided into segments with relief leaf pattern. A heavy hand forged (has hammer marks) basket hilt. VGC

320 - RUSSIAN DRAGOON SABRE

A Russian dragoon Sabre, 31 1/2" slightly curved blade with eastern script marking at the top and twin fullers to within 6 1/2" of the end. Wooden checkered grip with brass single knuckle bow, black painted steel scabbard, some tarnishing of the blade otherwise GC

321 - JAPANESE ARMY SABRE

An Imperial Japanese Army pattern 1883 Sabre. Most likely WWII period with 28 1/2" plated blade with tanto tip. Blade has 80% of its plating. Hilt with army mon. There is a dent in the bottom of the steel scabbard preventing full fitting also some speckling on the plating otherwise VGC

322 - SWORD BOOKS

'Sword' Lance and Bayonet by Foulkes & Hopkinson, small format, hard cover, black & white photos plus 'A Collectors guide to Swords Daggers & Cutlasses' by Weland, hard cover, large format, colour photos. Both VG references. VGC

323 - P08 LUGER PISTOL

A WWI period 9mm Luger P08 semi auto pistol. 4" 9mm Cal barrel, the chamber dated 1916, toggle marked Erfurt. Metalwork has most overall reblue fitted with modern repro magazine with correct style wooden baseplate. Ideal for the shooter or first luger collector. GWO&C B/CLR

324 - STEYR-HAHN PISTOL

An Austrian Steyr M1911 Chilean contract semi auto pistol. 4 3/4" 9x23 Cal barrel. Slide with original fixed sights marked Steyr 1912 Mod 1911, the other side Ejercito De Chile. Metalwork with near all original blue finish, worn but GC original wooden grips. G-VGWO&C B/CLR

**325 - LAHTI PISTOL**

A Finish M.35 Lahti 9mm cal semi automatic pistol. 4 1/2" Barrel with fixed sights. The top of the receiver marked VALMET I-35. Metalwork has almost all original bright blue finish all over. ExC original brown plastic grips. Hard to find a better example - this is the nicest we have seen. ExWO&C B/CLR

326 - MAKAROV PISTOL

A Soviet 9x18 Makarov cal semi auto pistol. 3 1/2" Barrel with fixed sights on the slide. The frame dated 1975. Metalwork with most original blue thinning in parts. ExC original brown plastic grips. GWO&C CLR

CARVELL'S AUCTIONS STANDARD CONDITIONS OF SALE

1. **Buyers Premium.** Buyers will be charged 10% of the hammer price, G.S.T. will be charged on the buyers premium only. Vendors will be charged 10% selling commission, plus 1% Insurance & G.S.T. on these charges only.
2. All lots sold as shown & with all faults, imperfections & errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it, & make no warrant whatever. Due to the accurate reproduction of some badges & particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer & no bid shall be retracted.
5. All lots sold subject to the right of the seller or his agent to impose a reserve.
6. The purchaser to give his name, address, firearms license details & to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
7. The lots are at the buyer's risk from the fall of the hammer & are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
8. Firearms Licenses and /or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
9. **Payment:** Bank Cheque, Cash, Personal Cheques by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards i.e. Bank Card/Visa will be accepted, however a 3% service charge will apply.
10. The Auctioneers cannot be held responsible for any injury or damage to persons or property thru attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.
11. **POSTAL BIDS:** Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. We dispatch via Courier, street address or suitable drop point, **PLEASE NO P.O BOXES.** We take all care but accept no responsibility. Each package has \$1500 insurance limit, also applies to items sent by post.
12. **POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE, DO NOT WAIT UNTIL YOU GET YOUR PERMITS, DELAY HOLD UP PAYMENT TO OUR VENDORS.**
13. **FIRST TIME BIDDERS** will need to establish a line of credit by supplying credit card details
14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels
15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.

NOTES

We will have an arms officer in attendance for your convenience to arrange permits.

* **Pistol Club shooters** – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pinkie” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

POSTAL BIDDERS

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding on the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax or post your bids on the postal bidding form included with the catalogue to the number or address below. Payment must be made on receipt of invoice. Do not wait until you get your permits as delay hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

BUYERS PREMIUM

10% Buyers premium on the hammer price applies plus G.S.T on the premium only

POSTAL REQUIREMENT OF 1993 ARMS ACT

All firearms and ammunition (excluding antique) require an accompanying statement from a police officer validating your license. A form can be downloaded from our website. Pistols, restricted weapons & military style semi automatics require a permit to procure before delivery.
