**129 - VICKERS LUGER PISTOL**

A rare 9mm cal Dutch Vickers Luger. Manufactured in the Woolwich arsenal of Vickers at Erith in Kent England, circa 1921. DWM Berlin were forbidden to export firearms under the treaty of Versailles, for the Dutch East Indies Army (*Indonesias*). Originally believed by American Luger "experts" to have been assembled from parts from DWM. Recent British research has found that they are completely made by the famous Vickers company who "tooled up" for the contract. They were shipped to Batavia in the white and completed at the arsenal with coarse wooden grips. 4" Barrel with serial number and British proofs, unmarked chamber with Dutch proof on the side. The toggle marked VICKERS LTD and the safety rust. The frame is 1906 grip safety type same as original Dutch contract. Metalwork is in good order but shows signs of the harsh tropical conditions of the East Indies. Complete with what is believed to be the correct holster and Batavia arsenal made cleaning rod. Has spare magazine. This is an interesting, rare and historic Luger variation from the Willis collection. VGWO&C B/CLR

**198 - NAVAL LUGER PISTOL**

A scarce Imperial German model 1906 first issue altered Luger pistol. 6" 9mm cal barrel with original dorsal fin front sight, naval proof and matching serial number. The chamber correctly blank and the side marked with twin Naval acceptance marks and proof mark. The toggle is marked DWM and the rear 100 for the correct adjustable Naval rear sight. The frame is marked with the serial number and has the altered safety to the lower position. WK 1327 Kiel dockyards marking below the grip safety and it is also cut for a shoulder stock. Metalwork retains near all original blue showing holster wear in the usual places and some staining to the safety lever. The straw colours on the small parts are still present. All external numbers are matching except the sideplate which is the correct type with numbers in the commercial style. The magazine is unnumbered but is the correct type with concentric circle wood base with Naval proof and nickel body. ExC original chequered grips. A nice example for the discerning Luger or WWI collector. VGWO&C C/BLR

**199 - EARLY P08 LUGER PISTOL**

A very early Imperial German Army Luger pistol #3835. This serial number without suffix was produced mid 1908. 4" 9mm cal barrel with original dorsal fin foresight serial number and Army test proof. The chamber is un dated and marked on the left hand side with Military proofs. The toggle is marked DWM. The frame is without stock lug and has two German machining gun unit markings, the first has been crossed out : M.GA.42.43. and 108 R.M.G.79. All external serial numbers in the correct commercial style are matching and has the correct un numbered magazine. Metalwork retains nearly all its original rust blue and straw colours and shows typical minor holster wear to the leading edges. ExC original chequered walnut grips. Complete with early P08 holster with spare magazine. A truly rare pistol that saw considerable service in WWI. ExWO&C B/CLR

**NOTES**

We will have an arms officer in attendance for your convenience to arrange permits.

\* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a "pink" form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

**POSTAL BIDDERS**

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding of the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax or post your bids on the postal bidding form included with the catalogue to the number or address below. Payment must be made on receipt of invoice. Do not wait until you get your permits as delay hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.
