73 - BRITISH RIFLE GRENADE

WWI era inert British SMLE No.20 Mark II rifle grenade. Missing the safety pin otherwise. VGC NLR

74 - MAUSER C78 "ZIG-ZAG" REVOLVER

A rare and hard to find German Mauser model of 1878 revolver known as the "zig zag" in reference to the grooves on the cylinder. This was Paul Mausers first design and one of first German center fire revolvers and designed for the German Military trials of 1879. 5¼ 9mm calibre barrel marked with pre 1884 address: GEBR MAUSER & CTE OBERNDORF A/N WURTEMBERG 1878 PATENT. Hinged frame with 6 shot cylinder and a three position safety that locks the cylinder for opening or to prevent the hammer. Metalwork retains overall original blued finish that has dulled and has areas of pin pricking on the barrel rib and cylinder. ExC original relief carved hard rubber grips with lanyard ring, the safety and release catch are some what temperamental, otherwise GWO&C CLR

75 - MAUSER C78 REVOLVER

This is the same as the previous lot. This gun is marked with German proofs and same address, however, is missing the safety. Metalwork has all over pitting which is quite deep on the barrel. VGC grips with a couple of small chips, action functions well. F-GWO&C CLR

76 - GERMAN REICHS REVOLVER

German Military Model 1883 revolver. 4½" 10.6mm cal barrel marked with German Military proof marks and extremely low two digit serial number. The frame marked with Erfurt logo and date 189? and further ordnance marks. Fitted with original safety, metalwork retains most overall original blue finish with some speckle staining. VG original grips with lanyard ring. VGWO&C CLR

77 - WWI DREYSE PISTOL

German model 1907 semi auto pistol. 3¾" .32ACP cal barrel. Marked with commercial Crown/N proofs (also on the slide and frame which is marked: DREYSE RHEINISCHE METTALWARREN etc. It also has a small Military acceptance mark in front of the ejection port. Metalwork has dull overall original blue and has Military lanyard loop at the base. VGC original hard rubber grips and has pressure dent above the grip. VGWO&C CLR

78 - WWI WALTHER PISTOL

Imperial German issue Walther Model 4 semi auto pistol. 3½" .32ACP cal barrel. The slide with dovetail rear sight is marked SELBSTLADE-PISTOLE CAL 7.65 WALTHERS above Crown/N proof, banner logo and serial number. It is also marked with Crown/D acceptance mark. The trigger guard has the marking AS for August Schuler of Suhl - subcontractor. Metalwork has dark grey patina, VGC original grips. GWO&C CLR

79 - MAUSER 1914 PISTOL

German semi auto pistol. 3½" .32ACP cal barrel, the slide with Crown/U proof and marked with Oberndorf address and calibre etc. Metalwork has near all blue to the right hand side with some areas of loss to the left hand side. VGC unchecked wooden grips. VGWO&C CLR

80 - DLV GLIDER PILOTS KNIFE

WWII German 1934 model DLV (German Airports League) Glider pilot or flyers knife. 17.6cm polished double edged blade marked with Stocker & Co (SMF) Solingen logo is in excellent condition and original blue leather buffer. Nickel silver guard with near all its original finish.

Black enamel Swastika in the center and K marking on the end. The grip is wrapped with original dark blue Moroccan leather as is the scabbard. The throat is stamped with unit marking NVA 77 as well as a hard to make out DLV or NSFK mark underneath. It is also stamped eagle/66. The scabbard is in ExC with only minor scuffing to one edge. Includes its original hanger. Hard to find a better example for the discerning collector. ExC

81 - 2ND PATTERN LUFTWAFFE DAGGER

WWII German Air force dagger. ExC 26cm blade marked with the logo for Ernst Pack & Sohn. Aluminium cross guard and pommel without traces of gilt. ExC white celluloid grip with spring wire wrap. ExC original scabbard. ExC

82 - SA DAGGER

Nazi German 1933 pattern SA dagger personalised to the soldier. 22.2cm blade with Solingen makers logo for Carl Schmidt Sohn. The blade is also inscribed 2.9.NOV.1936/S.A.STAND.R.37, the motto on the other side retains near all dark grey shading and the blade is without pitting or blemishes and has some typical runner marks. The nickel silver guard is marked with nrh district mark as well as engraved with the name Franz Koerfer and on the top guard Unserem CC Sturmfuhrer. ExC grip with a few minor marks complete with its original brown oxide scabbard. ExC

83 - HITLER YOUTH KNIFE

A excellent example of a early German Hitler Youth knife, 13.8cm early type blade without ricasso and marked with "Blut und Ehre!" motto and laterally on the other side with the Solingen makers logo G Felix and has the original leather washer. The steel fittings only have a small amount of flaking to the nickel. ExC original bakelite grips with emblem. ExC original scabbard. ExC

84 - GERMAN RED CROSS DAGGER

WWII Nazi German DRK Subordinates Hewer. VGC 26 1/2cm sawback blade with blunt tip. Some bubbling to the guard. The bakelite grips are smooth on one side and checkered on the other. The steel scabbard has some areas of rust towards the tip and is a very tight fit. GC

85 - NAVY LUGER PISTOL

Imperial German Model of 1914 WWI Navy Luger pistol. 6" 9mm cal barrel with original sight and marked with the serial number in the 4,000 range as well as the Crown/M Naval acceptance mark and the Naval proof mark. The serial number is also marked on the frame as well as the last two digits which are all matching on the small parts except the grips. The chamber is dated 1917 (as is the side of the frame and front sight). The chamber is also stamped with Naval acceptance and proof marks. The toggle is marked DWM and has the correct 100 metre mark for the original rear sight. Metalwork has near all overall blue with some leading edge loss and a section of the trigger guard has thinned to grey. Some speckling to the grip straps, frame and fading, straw colours to the small parts. The grips are period replacements and in VGC. The Naval marked magazine has the original matching number which is seldom seen. ExWO&C B/CLR

86 - ARTILLERY LUGER PISTOL

WWI Imperial Luger LP08 pistol. 8" 9mm cal barrel with original sights, test proof and serial number as well as discreet post war British proof marks (also on the frame and side of the chamber) which has 1918 date. The toggle has DWM logo. Metalwork has near all original blue finish with holster and handling wear to the leading edges and fading straw colours. All numbers except the firing pin, trigger magazine and grips are matching (most likely period field replacements). VGWO&C B/CLR

87 - BROOM HANDLE PISTOL

WWI Imperial German issued War Time commercial model C96 pistol. 5 1/2" 7.63cal barrel with original sight and marked with Oberndorf address as well as commercial Crown/U proof and Military acceptance marks on the chamber. The rear sight is graduated to 1000 metres. The frame is also marked Waffenfabrik Mauser etc and has the NS safety. Metalwork has overall thinning original finish turning grey

on the leading edges. VGC original grips. Includes an original but non matching number shoulder stock. This has had a crack repaired at sometime and the lid doesn't shut completely with the gun inserted. The leatherwork is a reproduction but the cleaning rod is original. VGWO&C B/CLR

88 - LUGER SNAIL DRUM MAGAZINE

A rare first model WWI Imperial German 'Trommel Magazine'. This early version uses a telescopic lever which was later replaced by a folding lever and is marked with B/N Gebruder Bing, Nurnberg makers mark. Near all original blue with some minor pitting on the drum edge. ExWO&C P7

US Military WWII Reising Model 55 Submachine gun. The M55's were issued to the US Marine Parachute Infantry Soldiers who fought in the Pacific Theatre. 10" 45ACP cal barrel fluted for the first 3½ inches. The receiver marked Model-55-H&R -REISING-CAL .45 Harrington & Richardson etc. Three position selector on the right hand side and original adjustable sight. Metalwork has turned grey on most of the receiver but has thinning blue to the barrel and most blue to the wire folding stock and magazine well. ExC original wood stock and correct sling. Includes its 20R magazine. VGWO&C C&P7LR

173 - M1 CARBINE

A desirable I.B.M made US WWII .30M1 Carbine. 18" barrel with original sights marked IBM Corp. Chamber with US carbine designation. The receiver with early type sight and marked with serial number in the 38 million range and I.B.M CORP. Metalwork has all over original parkerised finish. ExC original woodwork with sling and oiler, plus 15R magazine. ExWO&C P6&P7LR

174 - THREE FINGER KNUCKLE KNIFE

A rare WWI British private purchase Trench knife by Robbins of Dudley. 15cm double edge unsharpened blade with twin fullers. Cast alloy handle with steel bow and stamped ROBBINS DUDLEY across the base. The steel knuckle guard retains some original blue finish. Includes its original leather sheath. Provenance Ian Rusmussen Collection. VGC

175 - 2ND PATTERN FAIRBAIRN SYKES DAGGER

WWII British F-S Commando knife. 16½cm blued blade with triangular shaped ricasso. The oval guard is marked †B2 (Wilkinson). Near all original bright blue to the blade and guard. The finish on the knurled grip is thinning to the brass underneath and has a couple of bruises. Complete with its original leather scabbard. VG-ExC

176 - 3RD PATTERN FAIRBAIRN SYKES DAGGER

A desirable and increasingly hard to find original WWI era F-S fighting knife 17.3cm blade with faint traces of J NOWILL & SONS trade mark and some areas of staining and a small amount of pin pricking near the guard which is marked 42/† and ENGLAND. The England often signified that it was sent to USA. ExC copper handle with ring grip and some of the black finish. Includes its original scabbard but missing the tabs and elastic strap. G-VGC

177 - NZ FIGHTING KNIFE

WWII New Zealand made fighting knife. 16cm double edge spear point blued blade with near all original bright blue finish. Cast checkered aluminium grip with knuckle duster guard. These were used by both US & NZ Soldiers in the Pacific. Complete with its original brown leather scabbard. ExC

178 - VIETNAM ERA F-S DAGGER

Most likely ex-NZ 3rd pattern Fairbairn Sykes dagger. 17½cm blued blade with near all finish and signs of sharpening. The cross guard is marked NATO No/4658827/1976 & SHEFFIELD/ENGLAND. Blackened copper handle. Complete with its original synthetic leather scabbard. This variant is as used by NZ, Australia and British Soldiers. VGC

179 - BERGMANN VEST PISTOL

Rare German Bergmann model 2 pocket/vest pistol, circa 1920's. 2¼" .25ACP cal barrel with Crown/N proof (also on the frame and slide). The slide marked Theodor Bergmann, Gaggenu, Waffenfabrik Suhl etc and has early type serrations and loaded chamber indicator. Metalwork retains near all original blued finish. ExC original BERGMANN logo hard rubber grips. ExWO&C CLR

180 - BROWNING 1906 PISTOL

Collectable and hard to find nickel plated variant of the FN Vest pistol. 2" .25ACP cal barrel, the slide marked in serif with Herstal address. The frame with grip and lever safety. Metalwork retains all its bright polished nickel finish and blue to the small parts with minor handling scratches. ExC original hard rubber FN logo grips and correct nickel plated magazine. ExWO&C CLR

181 - BROWNING 1906 PISTOL

Collectors example of a FN Vest pistol, circa 1911. 2" .25ACP cal barrel, the slide with Herstal address in serif font. The frame with grip and lever safety. Metalwork retains near all original bright blue finish. ExC original FN logo hard rubber grips. Also includes its original period suede purse. ExWO&C CLR

182 - DICTATOR POCKET PISTOL

A rare and unusual Belgian pocket pistol, circa 1910-18. 3¼".25ACP cal barrel, the side is marked Societe Anonyme Des Fabriques D'Armes Reunies, Liege Belgique. Also marked with the Emperor Charlemagne horseback dictator logo and has a safety on the right hand side. Metalwork retains near all original blue with minor speckling on the right hand side. Original horn SBF logo grips are in VGC with a small chip on the top of the right hand grip. Marked on the back strap with engraved serial number. A unique design with very few examples surviving. ExWO&C CLR

183 - OWA POCKET PISTOL

Scarce Austrian Owa variant of the Clement pistol, circa early 20th Century. 2" .25acp cal barrel marked with Vienna address, patent and proof marks. Metalwork has near all original blue and the bolt is jewelled while the take down lever and safety retain near all original straw and fire blue colours. ExC original grips. ExWO&C CLR

184 - WEBLEY 1912 VEST PISTOL

Hammerless variant of the British pocket/vest pistol, circa 1933. 2" .25ACP cal barrel with British proof marks, the slide is marked WEBLEY & SCOTT Ltd etc. Metalwork retains near all original blue thinning on the front edges and grip strap. The white metal parts has mild staining. ExC original checkered dark brown vulcanite grips. VG-ExWO&C CLR

185 - US MODEL 1880 HUNTING KNIFE

The model 1880 Military knife, circa 1881-90. Made at the Springfield Armory which is stamped on the brass guard with the serial number on the opposite side. 21½cm spear point blade sharpened on one side. Turned oak handle. The black leather and brass scabbard is likely a modern type 2 reproduction as it is without makers marks. This knife was later re-designated to a Model 1890 entrenching knife. ExC

186 - US ENTRENCHING TOOL

Circa 1880's, US Military entrenching tool. 20cm blade with folded top edge and pipe back. Ribbed wooden handle stamped US, complete with dark red leather scabbard with brass throat. VGC

A folio of mostly original trade labels for gun cases. Includes Army and Navy, H Durand Timaru, William Marson, Watson Bros, John Blanch, W.W. Greener, W.Richards, Samuel Nock, William and John Rigby, J.Beattie, Parker Field, W.H.Tisdall, Westley Richards, Blissett and Sons and William Moore and Grey. VGC

188 - SHOT BELT

Antique leather shot belt with twin bags. Brass Irish chargers, makers marked Frith patent. ExC

189 - THE GUN BY GREENER BOOK

A very rare first edition of 1881 book - The Gun And Its Development - With Notes on Shooting by W.W.Greener. Only 3000 of this first edition were printed and this one is signed by H Ayers the Christchurch Greener agent. The initial two pages have come loose but otherwise the book is very sound. VGC

**190 - THE MANTON BOOKS**

A rare and long out of print two volume set of books by Keith Neal & David Black, circa 1967 & 78. The first volume is - The Mantons: Gunmakers and the second is a follow up edition entitled - The Manton Supplement which is signed by the Authors. These books have a wealth of information on the most famous of gun maker families. ExC

191 - ART OF THE GUN MAKER BOOKS

Two volume set by J.F. Haywood covering fine antique firearms. Volume 1 1500-1660 and Volume 2 1660-1830. Hard cover, medium format, black & white pictures, 300 & 375 pages. ExC

192 - FORSYTH AND CO BOOK

Forsyth & Co: Patent Gunmakers by Keith Neal & David Black, circa 1969. Long out of print, excellent reference book. ExC

193 - SHARPS 1863 CARBINE

US Civil War Sharps New Model 1863 capping breech loading percussion carbine. 22" .52 cal barrel with original sights and marked SHARPS RIFLE/MANUFG.CO/HARTFORD/CONN & NEW MODEL 1863. The receiver with Sharps and Lawrence patents as well as C, 7,000 range serial (107,000 range). Metalwork has most overall original blue to the barrel and areas of case colours on the action. ExC original woodwork. Hard to find a better example. ExWO&C NLR

194 - SHARPS 1863 CONVERSION CARBINE

A desirable US Military conversion of the percussion 1863 carbine to metallic cartridge. 22" 50-70 cal barrel with correct sights and faint Model 1863 mark. The receiver with Sharps & Lawrence patent marks and serial in the 103,000 range. Metalwork has near all Military conversion blue finish and bright case colours to the frame. ExC correct conversion woodwork with inspectors cartouche. Hard to find better. ExWO&C ALR

195 - TRAPDOOR SPRINGFIELD RIFLE

US Military breech loading model 1873 rifle, circa 1876-77. 32" 45-70 cal barrel with original sights and ordnance V/P eagle head. The lock is marked U.S./MODEL/1873 and serial number at the rear in the 211,000 range. The lock plate is marked with American Eagle and US/SPRINGFIELD. Metalwork has most original blue thinning in an area towards the muzzle and some minor pricking on the breech. ExC original woodwork complete with swivels and rod. ExWO&C ALR

196 - WINCHESTER '95 CARBINE

US Model 1895 lever action saddle ring carbine, circa 1926. 22" 30.06 cal barrel with original sights. The chamber with Winchester proof/.30/GOV./06. The receiver is second type with fluted side and optional saddle ring fitted. Marked with two line New Haven address and patent numbers. Metalwork is in excellent condition retaining most original bright blue which has thinned on the underside, where carried, and leading edges of the receiver. The ExC original woodwork with cleaning rod trap in the butt and has a couple of aged fine cracks (typical for '95 carbines). A nice example which is seldom seen in good condition. ExWO&C ALR

197 - WINCHESTER '94 RIFLE

US Model 1894 lever action rifle, circa 1900, with the following special order features: 26" 32-40 cal half octagonal/half round barrel with button magazine, fitted with express sight, original rear and Lyman tang sight. The barrel has two line New Haven address and calibre information. Metalwork has large areas of original blue and sharp edges to the octagonal section of the barrel thinning towards the front. The frame has faint blue to the centre turning grey on the top and bottom. ExC original shotgun butt style stock with original hard rubber butt plate. A nice example in a desirable calibre with some rare special order features as only 1 in 700 has a non standard butt and only 275 had a half octagonal barrel and non standard magazine length. VG-ExWO&C ALR

198 - NEW ZEALAND WAR MEDAL

Service Medal for service during the War 1861-66. One side is marked with Queen Victoria etc and the obverse New Zealand Virtuous Honor and 1863-1865. The edge is marked with the recipients details 1288. JAS McCARTHY 70TH REGT. The 70th (East Surrey) Regiment of Foot (also known as the 'Glasgow Greys') which served in NZ 1863-66 saw action at Katikara River in Taranaki as well as Koheroa, Cameron Town and Orakau before returning to Taranaki. Complete with original ribbon. ExC

199 - 1936 MODEL SS DAGGER

Rare and desirable Nazi German chained SS Leaders dagger. 22 cm blade marked with Meine Ehre heist Treue motto and correctly without makers mark on the ricasso as per the style of the 1936 dagger. The blade has nice cross graining and typical light runner scratches. Nickel silver guards with good tight fit. ExC ebony coloured wooden grip with nickel eagle. Some minor pressure dings and small chip above the runes. Complete with its correct magnetic scabbard with nickel plated skull & cross bone and SS rune chain fittings. One of them is stamped SS on the reverse. The clip is also magnetic and the central locket is held with twin screws. The finish on the scabbard has faded to a grey colour. A nice untouched example of a very rare dagger. VGC

200 - SS ROHM HONOUR DAGGER

Nazi German, early M1933, Schutzstaffel dress dagger. 22.3cm blade marked with Ernst Pack & Sohn E.P.&S. Solingen logo on the ricasso as well as the Meine Ehre heist Treue motto on the other side. The original Ernst Rohm inscription on the blade has been professionally ground off as per the orders issued handed down after his death. Nickel cross guards with all finish and excellent fit and the lower with I district mark. ExC ebony coloured grip with silver eagle and runes. ExC scabbard retaining near all its anodised finish. A top collectors example of an early 1933 dagger in superb condition. ExC

201 - POSTAL PROTECTION DAGGER

A scarce Nazi German Postschutz leaders dagger. Shortly after coming to power the Nazis controlled all forms of communication with the formation of the postal protection force recruiting members from the Police and later the SS which in 1942 the Postschutz was merged with the SS. 24½cm polished blade with Paul Weyersburg logo and pronounced central rib and leather buffer. The nickel silver cross guard with eagle head ferrule is marked on the underside D.R.P. 240. ExC ebony grip with eagle clutching lightning bolts and Swastika. ExC black painted scabbard with some loss of the plating on the band. Complete with chain consisting of 9 upper and 12 lower links and DRGM marked clip. ExC

202 - GOVERNMENT OFFICIALS DAGGER

Nazi German Government Officials dagger. 25.8cm blade with central flat section, nice cross graining and without makers mark. Silver eagle on the cross guard with assembly number 7 on the underside and blue leather washer. ExC flat mother of pearl look celluloid flat grips with milky yellow colour. Minor staining to the silver on the pommel and turning slightly gold. ExC pebble grain original correct scabbard with triple serrated eyelets and finish thinning slightly towards the base. ExC

203 - KRIEGSMARINE DAGGER

Nazi German Naval dagger. ExC 25cm fluted blade etched with anchor designs and marked with the E.U.F HORSTER SOLINGEN logo. Brass guard and eagle head pommel with celluloid white grips with twisted wire detail and silver portopee. ExC original scabbard with lightning bolt design and oak leaf bands. ExC

US Military altered Colt 1873 single action army revolver, circa 1881/late 1890's. These American Indian war period guns originally had 7½" Cavalry length barrels and were altered by the Military in the late 1800's to 5½" .45LC barrels, these correctly have mismatched numbers, the frame is in the 63,000 range and the trigger guard in the 16,000 range with C inspectors marks and the back strap with K inspectors mark in the 139,000 range. The cylinder has R.A.C inspectors mark and serial in the 1,900 range. The frame has faint patent and US martial marking. Metalwork has all over grey Military cleaned patina. Correct walnut grip with aged and repaired crack to the right hand side. GWO&C CLR

210

211 - WWI GERMAN MG08

Imperial German Army Machinegewehr 08 captured at Bancourt during the Second Battle of Bapaume by the 1st Battalion of the Wellington Regiment. On the 1st of September 1918 the First Battalion came under heavy fire from a series of German machine-gun posts. Serjeant John Gildroy Grant and Lance Corporal Cecil Hill fearlessly attacked these posts. For these actions Grant was awarded the Victoria Cross & Hill the Distinguished Conduct Medal. The gun is marked M.G.08/Gwf/SPANDAU/1917. The Fuzi spring cover marked with Spandau Masch Gew 08 logo and 1916 date. Fitted with original flip up rear sight. Original checkered wooden grips with crack and slight bend to the steel on one side (most likely shrapnel damage). The water jacket with faint German field camo has original white painted capture markings: 1st Bn Well Regt / NZEF 2.9.18 / G10028. The gun is mounted on its original 1918 dated sled. The sled is in remarkable original untouched condition with its original range guide, chamber tool, spare barrel and fabric pads. The wooden sled carry handles are missing. It retains approximately 80% of its original green paint finish. This is a unique opportunity to obtain the ultimate prize gun of WWI with important historic New Zealand Military provenance. The lock and spare lock have been deactivated as was the practice after the War, otherwise ExC CLR
Estimated \$20000 - \$30000

211

212 - THOMPSON 1921 S.M.G & FBI CARRY CASE

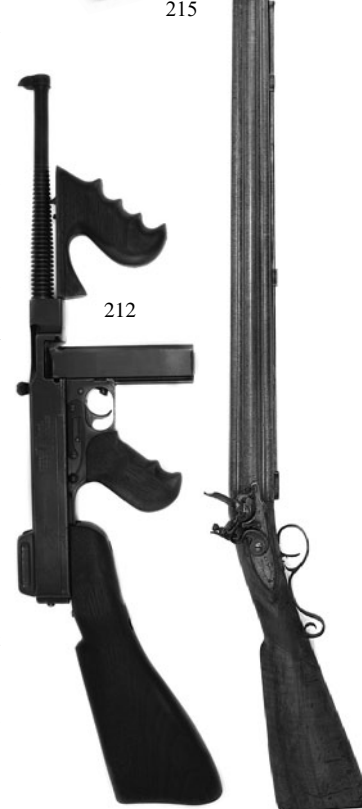

An original 1921 model 45 cal "Irish Sword" Thompson submachine gun, made in 1921 by Colt for the Auto Ordnance company and sold by Auto Ordnance in 1921 to George G Rorke, the straw man for the IRA. This shipment was smuggled to Ireland and disappeared until 1942 when discovered by the Gardaí in a cache of IRA Thompsons in County Mayo Ireland. This is a first model 3 digit serial number (993) "Irish Sword" with the serial number "struck off" by the IRA smugglers in 1921. (See Tracie Hill's American Legend page 55 & 402). Receiver stamped Colt Patent firearms with "AUTO-ORD-CORP" logo on receiver. Metalwork in ExC retaining lots of original blue with very good woodwork with few dings. Complete with original 1920 patent date, 20R magazine and original nickel plated oil bottle and felt washer in the stock. Contained in an original FBI type Swetnam company carry case circa late 1920's. Complete with a Colt Navy 50R "L" drum magazine for the 1921 and 1928 Navy Thompson, this has a small dent and scratch on the rear otherwise in ExWO&C. Also includes a set of 4 rare excellent condition original patent date 20R magazines made for the 1921 Thompson sub-machine gun, plus an original brass 1921 cleaning rod and a spare parts tin box for the 1921 and 1927 Navy Thompson, containing prescribed spare parts such as firing pin, hammer, springs, extractor, bore brush, breech brush etc, the tin is an exact replica parts tin of which only a limited few were produced. Original spare parts kit tins are impossible to find in the USA and are exceedingly expensive. The FBI carry case is in black leatherette covering with black velour lining. Some wear on lining around magazine compartments but in excellent condition, except missing the key All hinges and locks in good original nickel plating and all work perfectly but sadly no key. Complete with original 1923 Auto Ordnance instruction book. This is the most complete of these exceedingly rare 1921 Thompsons we have ever had for sale and a unique opportunity for the discerning collector ExWO&C C&P7LR *Estimated \$30000 - \$40000*

M96 bolt action rifle set up for Military target shooting. 29 1/2" 6.5x55 cal barrel with target foresight and rear blade removed. The chamber with Carl Gustaf address and 1909 date. The rear of the receiver has Swedish target diopter sight. Metalwork has all over blue and ExC woodwork. ExWO&C ALR

294 - SEA SERVICE PISTOL

Antique, circa early 1800's, British Military Flintlock long barrel Sea Service pistol. 12" 28 bore/.56 cal round barrel marked with ordnance marks Crown/GR/V, Crown/crossed sceptors and Crown over 3. The lock plate and ring neck cock has borderline engraving as well as stamped TOWER Crown/GR and Crown/2. The back side of the lock plate is fitted with original ordnance stamped belt hook. Metalwork has overall original dark grey patina and polished finish to the brass VGC original woodwork with ↑ BO cartouche and ram rod. Action is strong. ExWO&C NLR

295 - WATERS & CO FLINTLOCK PISTOL

Antique, circa 1781-1816, Flintlock bayonet pistol. All brass boxlock action and barrel. 6" approx .61 cal/20 bore barrel with cannon turns and has Tower view and proof marks. The triangular spring bayonet is activated by pulling the steel trigger guard back. John Waters was the inventor and patent holder of the spring bayonet. The side of the lock is marked Waters & Co Patent and serial number with basic borderline engraving. The action has reinforced cock and sliding safety. ExC slab sided walnut grips. ExWO&C NLR

296 - RYAN FLINTLOCK TRAVELLING PISTOLS

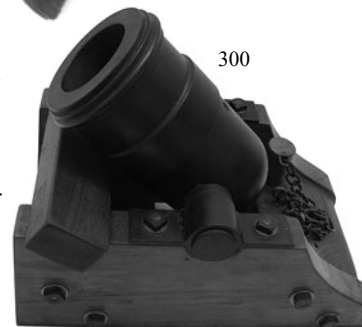

Antique, circa 1800, Flintlock small travelling pistols by Irish gun maker G Ryan. 4" approx .55 cal barrels with grooved sight and marked Dublin. The lock plates have half cock safeties and are marked RYAN. The one piece checkered grips have steel mounts with pineapple finials and silver escutcheons (one with monogram) and butt caps. Actions are strong. ExWO&C NLR

297 - H DELANY FLINTLOCK PISTOL

Early antique, circa 1710-1730, Flintlock Queen Anne muff pistol by notable early English gun maker Henry Delany. 2 3/4" approx .54 cal/28 bore cannon turned barrel marked H DELANY and London and with makers proof. The action has early type safety catch behind the cock. The one piece grip with relief carved shell and silver wire inlay as well as escutcheon and butt grotesque. Metalwork has dark overall patina. Action spring is at fault otherwise. VGC NLR

298 - MIQUELET PISTOL

Antique, circa mid late 1600's, Miquelet type Flintlock pistol. 5 3/4" approx .48 cal barrel marked LAZARINO COMINAZZO (Italian barrel maker). The barrel has fluted ornate design and metalwork has dark patina. One piece tiger striped wooden stock with brass furniture has a chip missing near the barrel pin. Action is strong. VGWO&C NLR

**299 - WOGDEN TARGET PISTOLS**

A pair of cased antique percussion target pistols by Wogden. 10 1/4" approx .52 cal round barrel with concave wide rib marked in Old English style London and with silver fore-sights, twin gold bands and platinum plugs. The underside with W.H barrel makers marks and Birmingham proofs. The back action locks with half cock safeties and dolphin hammers are fully foliate and borderline engraved as well as marked WOGDEN. The triggers are adjustable type and have finger rest guards. Metalwork has bright case colours to the actions and tang as well as near all blue to the mounts. The barrels have most overall brown Damascus finish with some areas of raised bubbling. VGC French style checkered stocks with silver escutcheons and engraved mounts extending into pineapple finials. Contained in its original case with dark blue/green baize and accessories. VGWO&C NLR Estimated \$8000 - \$10000

300 - REPRODUCTION MORTAR

A modern reproduction of a 19th Century Coehorn type mortar. The steel barrel section measures 9" long with approx 3" bore. Most overall enamel finish. Includes its wooden carriage with attached brass powder measure and pricker. Overall dimensions 38cmL x 22cmW and 31cm H. Launches concrete filled "baked bean" cans and includes 8. ExWO&C NLR

301 - MINATURE CANNON

Small working model cannon on a wooden naval style carriage. 6 3/4" barrel with approx .46 cal bore and stamped black powder only. VGC NLR

302 - MINATURE CANNON

CONTACT DETAILS

For information or price guide on lots contact Greg Carvell c/- S.A.I Guns	
553 Great South Road. Penrose.	
Telephone	+64 9 579-3771
Email	carvellsauctions@gmail.com
Website	www.gunauction.co.nz
Postal	P.O Box 112313
Penrose 1642. Auckland. NZ	

We will have an Arms Officer in attendance for your convenience to arrange permits.

* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pinky” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express. Due to recent NZ banking changes we will no longer be able to accept personal cheques.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

POSTAL BIDDERS

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding off the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax, email or post your bids on the postal bidding form included with the catalogue. Payment must be made on receipt of invoice. Do not wait until you get your permits as delays hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

BUYERS PREMIUM

12% Buyers premium on the hammer price applies plus G.S.T on the premium only

POSTAL REQUIREMENT OF 1993 ARMS ACT

All firearms, parts and ammunition (excluding antique) require a mail order form from a Police Officer validating your license. This form is forwarded on your behalf to us from your local Arms Officer / Police station. Pistols & restricted weapons require a permit to procure before delivery

EXPORT – We can export to most countries. Firearms including antique have to be exported via air freight. We have a freight forwarder who can organise this for you. An export license will need to be obtained. We charge a \$80 fee for our time in organising the export and packaging. The freight forwarder will charge you for the NZ export license and the freight for the firearm(s). This is usually charged forward and you will pay this on receiving your goods. The export process can take around 4-8 weeks. For an estimate of the export license and freight charges please contact us. NZ G.S.T (VAT/sales tax) is only on the commission / buyers premium portion of the items, because this service occurs in New Zealand this must be charged on exports. Items that are not firearms can be sent via NZ postal service and will be charged at that rate plus packaging. Some items with historical significance to New Zealand may not be able to be exported.

CARVELL'S AUCTIONS STANDARD CONDITIONS OF SALE

1. Buyers Premium. Buyers will be charged 12% of the hammer price, GST of 15% will be charged on the buyers premium only.
2. All lots sold as shown & with all faults, imperfections and errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it and make no warranty. Due to the accurate reproduction of some badges and particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.
3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute is to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.
4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer and no bid shall be retracted.
5. All lots sold subject to the right of the seller or his agent to impose a reserve.
6. The purchaser to give his name, address, firearms license details and to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.
7. The lots are at the buyer's risk from the fall of the hammer and are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen, damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.
8. Firearms Licenses and or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.
9. Payment: Payment must be made on the day of the auction unless prior organised with Carvells Auctions. Payment options are Eftpos, Bank Cheque, Cash, Internet bank transfer by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards ie Master Card/Visa will be accepted, however a 3% service charge will apply. Note the bank often has a limit of around \$2000 per day for eftpos
10. The Auctioneers cannot be held responsible for any injury or damage to persons or property through attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.
11. **POSTAL BIDS:** Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. We dispatch via Courier, street address or suitable drop point, PLEASE NO PO BOXES. We take all care but accept no responsibility. Each package has \$1000 insurance limit, also applies to items sent by post.
12. **POSTAL BIDDERS: PAYMENT MUST BE MADE ON RECEIPT OF INVOICE.** Do not wait until you get your permits, delays hold up payment to our vendors.
13. **FIRST TIME BIDDERS** will need to establish a line of credit by supplying credit card details.
14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels.
15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.
16. Measurements and weights are only an approximate.
17. Some items with significant historical significance and rarity to New Zealand may not be able to be exported.
